## **Fellowship And Student Teams**

### **What is “FAST Lane”?**

FAST Lane stands for Fellowship And Student Teams. These teams or groups meet each Wednesday for 10 weeks (6 weeks in the spring) to focus on whatever the groups is all about. The purpose is to give a dynamic mid-week option for FUSION youth to experience fellowship, spiritual growth, an opportunity to discover some hidden gifts or even make an impact on the lives of others. AND... because the groups are only 10 weeks long, you and the leaders don't have to commit for the long-term, you don't add another time consuming event to your schedule for the entire year, and you can even register for another group for the next “FAST Lane” session.

### **How Do I Get Involved?**

All you have to do is fill out the registration form (attached) and turn it into the FUSION Office by Wednesday, January 14th (the 1st night). Then you are in!

### **Can I Switch to Another Group?**

We ask that once you register for a group that you honor your commitment to that group for the 10-Weeks. This means that we'd like for you to stay in that group and to attend each week.

### **Are Groups Limited?**

Yes, each group has a limited number of spaces. So don't wait to register. You will love it!

### **Looking for Adult Leadership!**

FUSION would love to have the help of any adults who would be willing to volunteer 1 hour a week for 5 weeks to make these groups a reality. If you're interested please contact Steve of Ryan in the FUSION Office. 765-5561.
